Geneseo Bridge. The Board of Public works will be building a bridge across the broken Arizona crossing on Geneseo at the Huer Huero Creek in 2015. There will not be a detour over the creek during construction and it is likely that our roads will be impacted with traffic travelling between Linne Road and Creston Road via Sandy Creek and Stagecoach Road to Creston. Additional traffic and commercial vehicles may impact or damage the District Roads which are privately maintained through an assessment of residents. We have invited Matt Reinhart and Kidd Immel from the Public Works Commission and Supervisor Debbie Arnold to see if the county can assist us in mitigating damage to our roads.

Public Comment. This portion of the meeting is reserved for persons desiring to address the Board on any matter not on this agenda and over which the Board has jurisdiction. "Please be advised however, the Brown Act prohibits action on items that are not listed on the agenda, or properly added to the agenda under the provisions of the Brown Act. The Board may set such items for consideration at some future Board meeting" Speakers are limited to five(5) minutes.
